

# Investing for Success

## Snapshot report

### Under the Investing for Success Agreement for 2016 Holland Park SHS received

**\$213394**

Our full 2016 agreement can be found at: [www.hollparkshs.eq.edu.au](http://www.hollparkshs.eq.edu.au) – quicklinks – Investing for Success Agreement - 2016

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Initiative 1. Building student engagement to achieve success. Through implementation of Student Personal Learning Plans, a Junior Secondary Homework Club, employment of an additional teacher and teacher aides, and trial of Working memory testing and training, we have met our target of 85% A-C ratings.
- Initiative 2. Improving teaching and learning through trial of a Science of Learning video project and trial of classroom blocks. Both trials were completed with plans to extend the Science of Learning project to incorporate “video selfies”.
- Initiative 3. Support parents through implementing Parent Club and improve absence advice. Volunteer parents completed a Triple P parenting for teenagers course. Attendance monitoring will be used to improve attendance in targeted year levels.
- Initiative 4. Implementing Seven Steps to writing across the school to lift writing performance. This strategy has been implemented across all subjects. NAPLAN results show writing results were stable – gains may be more evident in 2017.
